

Jollity Industries
Shaping Excellence

About Us

Established in the year 2008, We, Jollity Industries, are one of the Prominent Manufacturers, Suppliers, and Exporters of Woven and Non Woven - LDPE, LLDPE, HM, HDPE, PP and BOPP (Fabric, Rolls, Sacks, Bags, Pouches, Sachets and all types of Packaging Materials.

Our Objective is to maintain Market Leadership, by delivering products and services to the entire satisfaction of our customers, through continuous improvement, technological up-gradation and committed employees.

Our products are appreciated by our clients around the globe and are used in end applications like Grain & Pulses Bags, Foods & Spices Bags, Animal Food Bags, Fertilizers & Chemical Bags, Cement & Wall Finish Bags, Powder & Granule Bags, Mineral Bags, Detergent Bags, Nuts & Fruits Bags, Specialty Bag For Tea & Coffee, Charcoal Bag, Flour Bag, Milk Bag, Sugar Bag and Soil Mix Bag, Outer Promotional Shopping Bags etc. With our state-of-the-art technology and prodigious infrastructure, we have taken product packaging to a new level altogether! No matter what you're looking to pack, our standard and customized packaging solutions not just protect your products, but hold every bit of goodness together.

Our Products

LDPE

We manufacturing LDPE products; which are commonly used for food packaging, textile packaging and other industrial packaging.

LLDPE

LLDPE bags exhibit a moderate degree of clarity. The best thing about this plastic is there is no difference in strength, which allows users to save money without any compromise on quality.

HM

We manufacturing HM Bags which are extensively used for shopping carry bags. And can be obtainable at market leading rates within scheduled time frame.

HDPE/PP Woven Fabrics

We manufacture Flat / Circular HDPE / PP fabric for converting into packaging, sheltering & conveying products. The Fabric is available in Laminated and Unlaminated form through our in-house lamination facility.

Our Products

HDPE/PP WOVEN SACKS/BAGS

HDPE/PP oriented strips are becoming increasingly popular in India & have caught the eye of many end users for their requirement of packing materials. They have become popular on account of their inertness towards chemical, moisture & excellent resistance towards rotting & fungus attack.

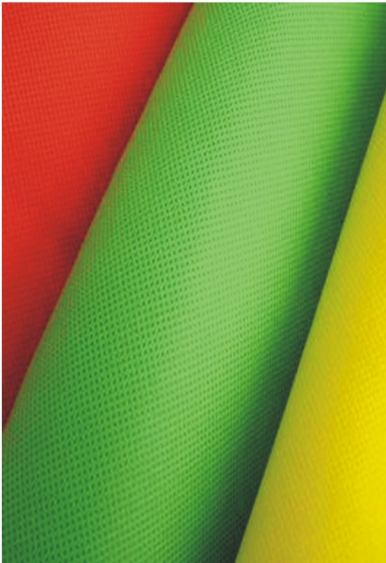

BOPP Woven Rolls/Sacks/Bags

Our expertise lies in offering Multicolour printed BOPP laminated PP Woven Rolls / sacks and Bags that are precision manufactured using quality raw material which provide in it high usage value. BOPP is a new attractive and advanced concept of bulk packaging from 5 Kg's to 75 Kg's.

Our Products

HDPE/PP Non - Woven Fabric

Our organization has gained recognition as an affluent manufacturer and supplier of Non Woven Fabrics. With the help of our skilled experts we design and craft this fabric at par with the international standards and norms. This range is widely appreciated for its comfort, elegant design, myriad of colours and variety of sizes. We offer this Non Woven Fabrics in different sizes, patterns and colours at cost effective prices.

HDPE/PP Non - Woven Sacks/Bags

Our Non Woven HDPE Bag are ideal for shopping, packing and various promotional purposes. Our range of products is available in a number of sizes, print, shapes and designed as per the specification of the client.

Our Products

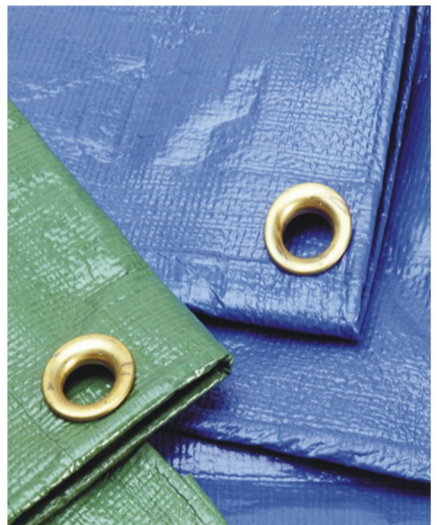

BOPP Non - Woven Sacks/Bags

We offer Multicolour Printed BOPP Non - Woven Sacks/Bags that are precision manufactured using quality raw material which provides in it high usage value. BOPP bag is a new, attractive and advanced concept of bulk packaging.

Tarpaulin

Tarpaulins offered by us are multi layered cross laminated products that are manufactured using latest process technologies. These can be used for meeting the covering demands of warehouses, trucks as well as various other general purposes. Made available in a variety of sizes, colours as well as other specifications, these can also be custom manufactured in configurations as demanded by the clients.
